AIBA R&J Database

Dear AIBA R&Js

I am happy to announce that AIBA is compiling an electronic database of all R&Js on the AIBA International List.

With this list and database all future appointments will be managed and controlled. Therefore, please fill-in attached form as accurate as possible and return the completed document by e-mail with electronic picture to the AIBA Sports Department (events@aiba.org) by **31st July 2008 at the latest**.

Please note that this database of R&Js will be in effect from August 1, 2008. Any name that has not been added to that base via way of the completion of the attached form will not be considered for duties at any AIBA sanctioned tournament.

Best regards
