To: Don Stewart
IABA Chief Executive

Subject: 2013 European Schoolboys Championships

Dear Mr. Stewart,

I am very pleased to inform you that upon the Executive Committee's deliberation, Ireland will have the pleasure to host the 2013 European Schoolboys Championships on the proposed dates of July 28th to August 4th 2013 in Dublin. After hosting the European Youth Championships in 2011 we are confident that IABA will once again successfully organize EUBC event.

At this point, please send an official letter that would guarantee your commitment to organize this event so that a Host City Agreement (HCA) can be drafted and the EUBC affiliated National Federations can then be informed.

In closing, I look forward to discussing the HCA and working with IABA for a fruitful EUBC Schoolboys Championships this summer.

Best Regards,

Franco Falcinelli
