Re: Rule Book

A draft copy of the new Rule Book has been widely circulated at this stage; all clubs should have received a copy.

It had been the intention of the Rule Book Committee to hold presentations at workshops throughout the country and to seek feedback from the members. It has proved difficult to find suitable dates and venues in that regard. Accordingly, it has been decided to have one all-embracing meeting in order to obtain the views of all members and to provide a platform for submission of suggested amendments.

This meeting will be held on Sunday, 15th September at 2.30 pm in the National Stadium. It is essential that there is the widest possible representation at that meeting and all clubs are strongly encouraged to be in attendance.

Kind regards,

Art O'Brien
